MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: USAMPS Policy 2, Equal Opportunity

1. REFERENCE. Army Regulation 600-20, Army Command Policy (13 May 2002)

2. PURPOSE. To establish the US Army Military Police School (USAMPS) Equal Opportunity Policy. This policy is effective 1 July 2004.

3. POLICY/PROCEDURES.

a. USAMPS will provide equal opportunity and treatment for all military personnel, and their family members and civilian employees without regard to race, color, religion, gender or national origin and provide an environment free of sexual harassment. Discrimination in any form, on or off post, during duty or non-duty hours, will not be tolerated.

b. I hold all leaders responsible for ensuring fair and equitable treatment free of threats and reprisal for all USAMPS service members, their families, and civilians living or working on the installation. Ensuring equal opportunity is a standard of our business that each of us must be committed to full time.

c. I encourage every member of this School to use their chain of command if they feel they have been the subject of discrimination. Civilian employees may also use the services offered by the Equal Employment Opportunity (EEO) program. Military personnel may also use the Equal Opportunity (EO) Office. The USAMPS Equal Opportunity Program staff is always available for assistance.

4. PROPONENCY. The proponent of this School policy is the Equal Opportunity Program Office, 14TH MP BDE EO Advisor, 6-0359.
